

Company Profile

Since its establishment in 2002, **Transworld-UK** has seen great success. In the UK, we are now one of the most successful translation and interpretation service providers with a customer base increasing constantly. Our innovative online booking option has impressed our clients, making our service accessible at a click of a button, 24 hours a day.

The changing language dynamics of the UK has meant that we have continuously increased our capacity and now offer translation and interpretation in over 300 languages. Due to our continuous business and people development, Transworld-UK has seen the company sales accelerate. Similarly, so has the number of individuals who are associated with us, in the capacity of Translators, Interpreters and customers.

Our Translators/Interpreters are highly skilled and qualified Linguists. They are carefully selected and often personally hand picked. It is our policy to engage relevantly qualified and experienced Translators/Interpreters in accordance with our client's needs.

Wherever native speakers are engaged, a great majority of our Translators are suitably qualified, i.e. degree or diploma level (DPSI). The majority of our clients are Local/National Government Bodies, Civil Services and other Professional Bodies. Professionals who work with us must respect issues like; Data Protection Act, Confidentiality Policy and good timekeeping. It is our policy to provide quality language provisions at a reasonable cost without compromising the quality. This makes us highly respected and admired by our service users and associates.

Transworld-UK has three departments:

Marketing

Our Marketing Department has been successful in bringing in various major projects including Central Government & Local Government and organisations from the Public, Private and Voluntary Sector.

Project Management

Our Project Managers are responsible for recruiting and managing freelance interpreters and translators. They handle individual projects and meet customers needs and deadlines. From start to finish the Project Manager becomes a dedicated contact available 24 hours a day.

Quality Control

Our Quality Control Team is responsible to check the quality of interpretation and translation. We have a policy of second proofreading which ensures excellent quality translation.

Our Mission Statement

“To assist your business in reaching wider audiences by breaking down communication barriers.”

Why Transworld-UK?

The UK is a multicultural nation made up of people from different backgrounds, beliefs, cultures, needs and abilities. Every business knows how important it is to be able to reach out to wider audiences for increased business activity. Transworld-UK offers qualified and experienced interpreters in over 300 languages to the public, private and voluntary sectors. We can assist your business in breaking down communication barriers and reaching out to audiences whose first language is not English.

Transworld-UK is unique in that it provides a comprehensive service which includes interpretation, translation, telephone interpreting, printing of translated publications, transcription work and voice overs, etc.

About Transworld-UK

We exist to help all public and private business and voluntary sector organisations to provide services and information in formats that meet the needs of their clients.

We can provide:

- Expert impartial advice on how to identify and meet the communication needs of your clients.
- Interpreters for face-to-face communication with clients who cannot speak English.
- Translation of your printed information into most languages and formats.
- Printing of translated publications.

We aim to:

- Enhance your business communication capabilities for non-English speaking clients by offering a one-stop-shop for languages approach.
- Provide creative, cost effective and timely solutions to your communication needs.

Our services explained

Translation

Whatever your requirements, **Transworld-UK** can provide translation of a huge range of material. For example, from corporate, medical, legal, advertising and technical documents, to web sites, transcripts or personal correspondence. Documents are produced in a variety of formats according to your request.

Our Graphic Design department will ensure that printed publications in community languages are of a similar style and quality to their English counterparts.

Interpretation Services

We provide qualified and experienced interpreters as appropriate who are fluent in all languages to help with face-to-face discussions with your clients.

Reformatting

We can arrange to produce your publications in Braille, large print, on audio or video cassette.

Consultation & Training

We can conduct an independent assessment of your organisation's need for language and identify areas for development and enable the preparation of a language strategy. This will propose long term, cost effective solutions to bring language capabilities up to the required standards.

Charges

Charges depend on the need of the service. Our cost reflects the uniqueness of our service including:

- The promotion of languages within your organisation.
- A unique online booking system.
- Monthly monitoring reports for future planning.

Please contact us to discuss our charges in further detail.
